The Base Member Jerod Matthew Elder: White Supremacist National Guard MP Seeks To Shoot Migrants At The Border

DECEMBER 4, 2018

A network of anti-fascist activists from coast to coast have obtained the chat logs of a neo-Nazi organization calling itself "The Base." Anti-fascists infiltrated the Base in order to investigate and identify its members and disseminate this information to the public.

In an ongoing series of articles, the coordinating anti-fascist network will publish revealing information about this group and profile its members. You can follow all of these articles by following the hashtag #DeBasedDoxx.

Anti-fascism is fundamentally a localized movement of working-class peoples. We are not paid for our work and we take great risks every day: not for fame or money, but to protect our communities.

Email the network at DeBasedDoxx@protonmail.com with your tips or inquiries.

The Base is a "Balk-right" network of white nationalist paramilitaries hoping to Balkanize the United States and divide it up into a series of white ethnostates. Its current members are largely located in the U.S.A., but include several members in other countries who have plans to move to the U.S.A. in order to establish themselves in these white ethnostates. The members operate in regional cells of 3-7 people which include current and former military personnel, eco-fascists, preppers, and youth under the age of 18 who have been drawn into the online communities of Nazism.

circles, “Norman Spear” claims to be ex-military, having been deployed in Iraq and Afghanistan. His goal is to build communal white supremacist training grounds across the world. To this effect, he is working on purchasing a plot of land in the Pacific Northwest, and plans to start training members in a meet up in California on January 11, 2019, followed by a second training in the summer of 2019.

At this January California meet up, members of the Base will train in the paramilitary and survival skills needed to commit acts of mass violence and elude authorities in rural areas. As Spear tells his followers in the chats, “*For now we need non-attributable actions but that will still send a message and/or add to acceleration as much as possible.*” The main goal of the Base is to contribute to and support the acceleration of the destruction of the US government so that its members can essentially create new, governing entities in regional, whites only ethnostates created by its members.

"The Jews that Bowers shot at the synagogue are worthless.

The international jew will never leave."

-Jerod Matthew Elder aka "Doomsayeth"

The Base member Jerod Matthew Elder, who goes by the username "Doomsayeth," is a 37 year old white supremacist who resides at 23925 Pepperleaf Street in Murrieta, California with his wife, 31 year old Tonya Rose Elder (nee Dell'Acqua), and their three children. Jerod Elder graduated with the class of 1999 from Temecula Valley High School and comes from a largely conservative family which includes an anti-abortion father who is a pastor in Oregon, and two brothers in California who are also military. Jerod

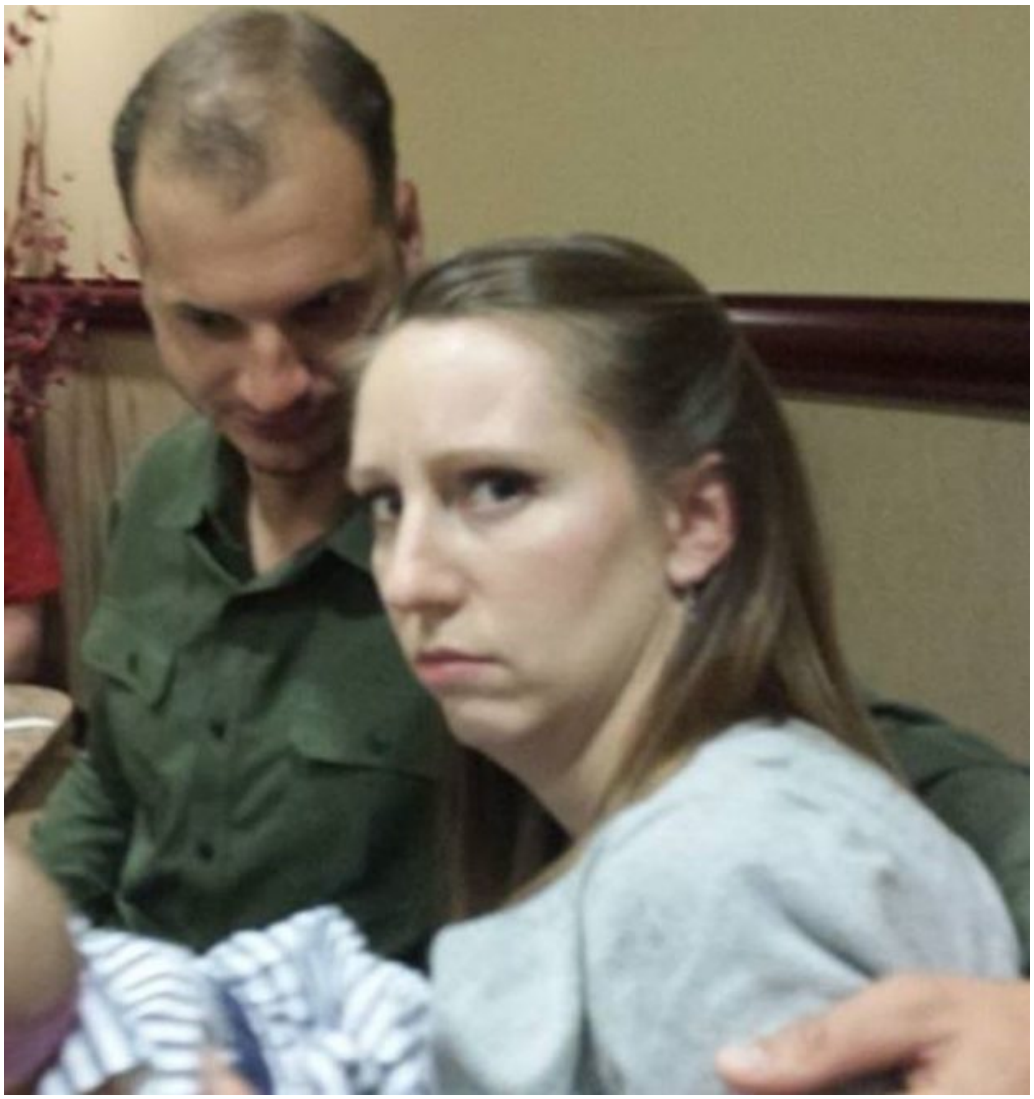
Jerod Elder, aka "Doomsayeth," reveals his age and inquiry into the American fascist group, Patriot Front (which rejected him due to his age)

In the Base chat logs, Jerod Elder tells us that he is filled with rage and plans to "*destroy the system*." As we learn from reading the chats, Elder directs his rage at non-white people, especially Jews, Blacks, and brown peoples. He aims to raise his children in a white ethnostate and teach them to also hate a system that includes non-white people. In short, Jerod and Tonya Elder are breeding children in order to mold them into white supremacists.

> ***"doomsayeth***
> ***I'm filled with rage all the time.***
> ***Anger about the future they stole from my children. The lies I was raises [sic] to believe in, the people who died because of those lies. The rampant degeneracy that I'm forced to watch and accept everyday. Knowing that if I fight it, thr [sic] system will kill me and erase any memory of my existence. Or even worse slander and disgrace my memory.***

doomsayeth
Then I will destroy the system anywhwre [sic] it touches me

I will raise my children outside of it, and i will show them why they should hate it too.
The system only has strength because it is veiled in lies. And when you lift the veil, it fills people with rage. If you channel that rage, we will win."



Jerod and Tonya Elder, Murrieta, California residents

Jerod and Tonya Elder have purchased land in Vernon, Arizona which serves as their "Base of Operations" (B.O.) or prepper location. It is this location, Lot 24, CR 3101, Vernon,

959. Yeah, that is the approach that I support the most as well.
960.
961. But I would say the BO locations can be as far away as 500-600 miles
962. And may even be preferable, since you need to go far to get away from population clusters.
963. For example my BO is abiut 530 miles from where I currently live, and takes about 6 hours to reach under normal travel conditions.
964. But its worth it to be so remote
965. You just need to cache supplies at certain intervals along the route
966. In secret places but that evwryone in the network knows.
967. Norman Spear
968. Yeah makes sense
969.
970. How many acres do you have?

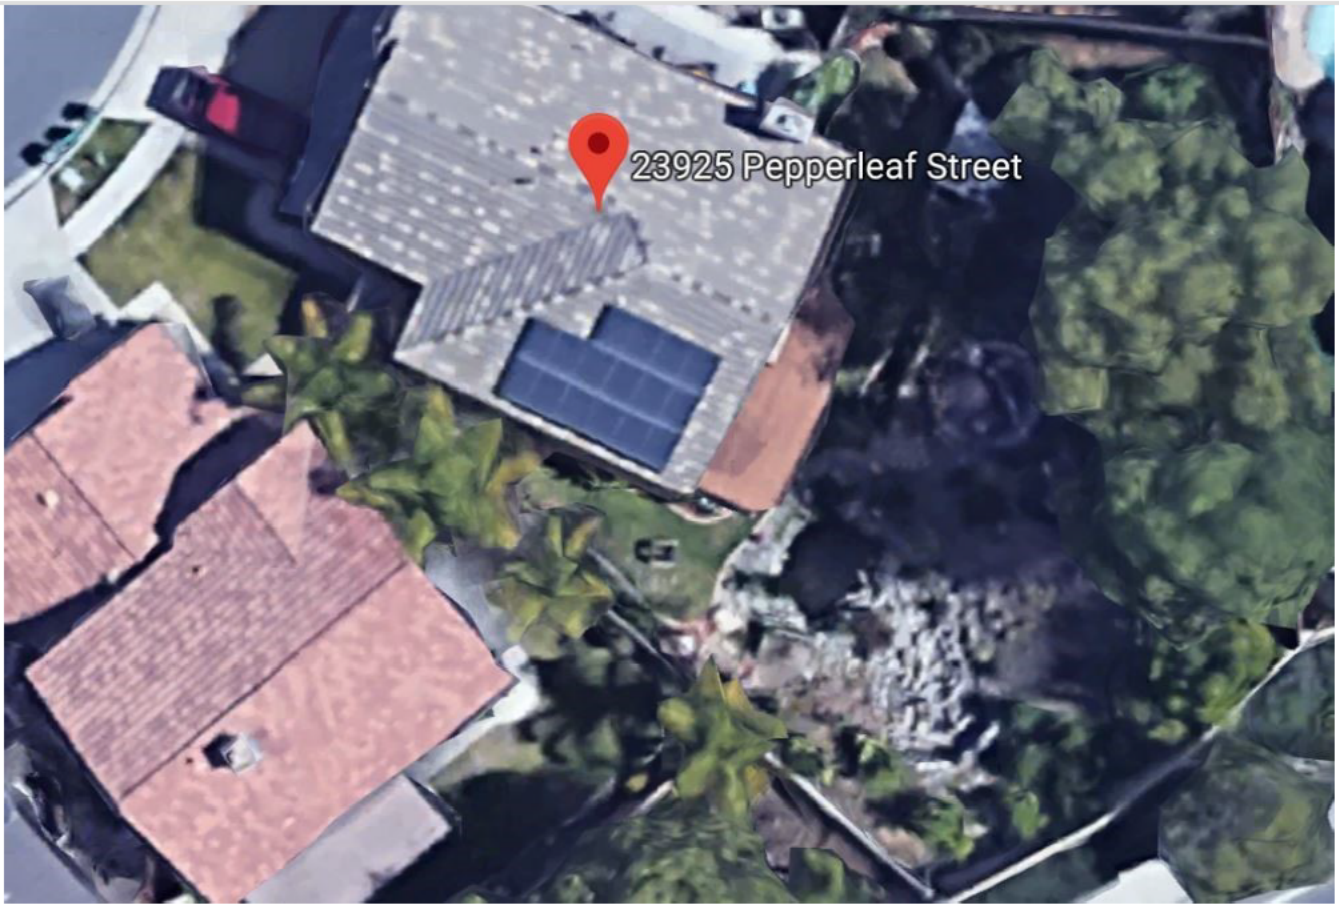
1003.
1004. So about 30 families
1005. I have food and water for my own family to last for at 2 years
1006.
a. at least
1007. Thats if we fail to become self sufficient with our gardening or livestock
1008. In that time period
1009. But long term food storage is easy
1010. Rice and beans are cheap, and so are canned meats. And they can all be stored for very ling periods of time.
1011. If there was enough interest I would build a large bunker/root cellar for potential comrades to store food in.
1012. Norman Spear
1013. It's something we should probably consider
1014.
1015. I would aim for similar set up on my land in PNW
1016. doomsayeth
1017. Obviously the more land you can get for a family above one acre, the better
1018.

Jerod Elder aka "Doomsayeth" describes, in detail, his "Base of Operations" location in Vernon, Arizona as being about 530 miles from his residence in Murrieta, California. The Base leader "Norman Spear" states he is planning a similar set up in the Pacific Northwest.



The Elders' residence in Murrieta, California (about 530 miles from their "Base of Operations" in Vernon, Arizona)

It is indeed alarming that Jerod Matthew Elder is a white supremacist who has established a "Base of Operations" to serve as a whites only enclave in the event of the collapse of US infrastructure. We should certainly take note that he is already organizing with an international group of neo-Nazis. And, we should not excuse his wife, Tonya Elder, who provides support and is therefore complicit in these white supremacist activities. What is, perhaps, most frightening about Jerod Elder's activities, is his involvement with the U.S. military and his direct, current work with the US-Mexican border.

Jerod Elder claims to be a 17 year military veteran, deployed 3 times into combat, and completed boot camp in 1999. He claims to have served in the Marines for 8 years beginning with the 3rd AABN Charlie Company 3rd Platoon, an amphibious assault vehicle crew. Currently, Jerod tells us that he is an "MP" (Military Police), possibly with the California National Guard, and posted orders to go to the US-Mexican border on his

role as Military Police in the California National Guard, looks forward to his work along the border with the caravan and hopes he can "*pop some jungle nogs.*"

163. Some are.
164.
165. The Border Patrol has been in several uses of deadly force for rock throwing incidents recently. I can imagine a mob on the border getting pretty aggressive.
166. It's not hard for me to envision a deadly force scenario by military.
167. d00mr
168.
169. From what I've read, the bulk of who's going are engineers, medical personnel, trans personnel and MP's.
170. Engineers will probably build migrant camps, or if Trump uncucks, the wall.
171. Medical personnel are self explanatory
172. Trans personnel are self explanatory
173. MPs assist and advise police work, or will be in charge of securing the migrant camps
174.
175. The only combat personnel there are the MPs and maybe some engineers.
176. I can't really see any of them opening fire on the migrants
177. All MPs are trained to do infantry type stuff every once in awhile, but most will spend their enlistments being gate bitch.
178. 13:07 I am 200% skeptical about all of this
179.
180. Norman Spear
181. They've been trained so well *not* to use deadly force that it shouldn't be an issue when ordered not to in this situation i think.
182.
183. I could more likely see the military refusing orders to shoot on the migrants
184. doomsayeth
185. I'm currently an MP, lol.

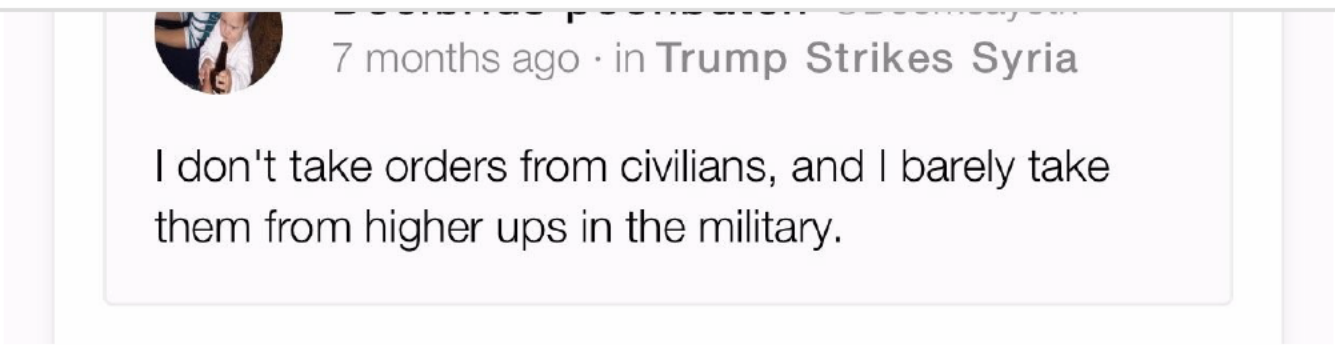
Jerod has expressed that he has a hard time following the authority of military commands and that he doesn't follow gun laws. He, along with other current and former military members of the Base, discusses his military background in the chats, and uses his military training to train other white supremacists in this movement. Elder shares tactics and intel, that he has learned from the military, with his fellow Base members, in order to plot terrorism which they believe will bring about an acceleration of the destruction of the US infrastructure so they might have their white revolution.



Jerod Elder, aka “Doomsayeth,” admits on his Gab account that it is difficult for him to take orders from the military

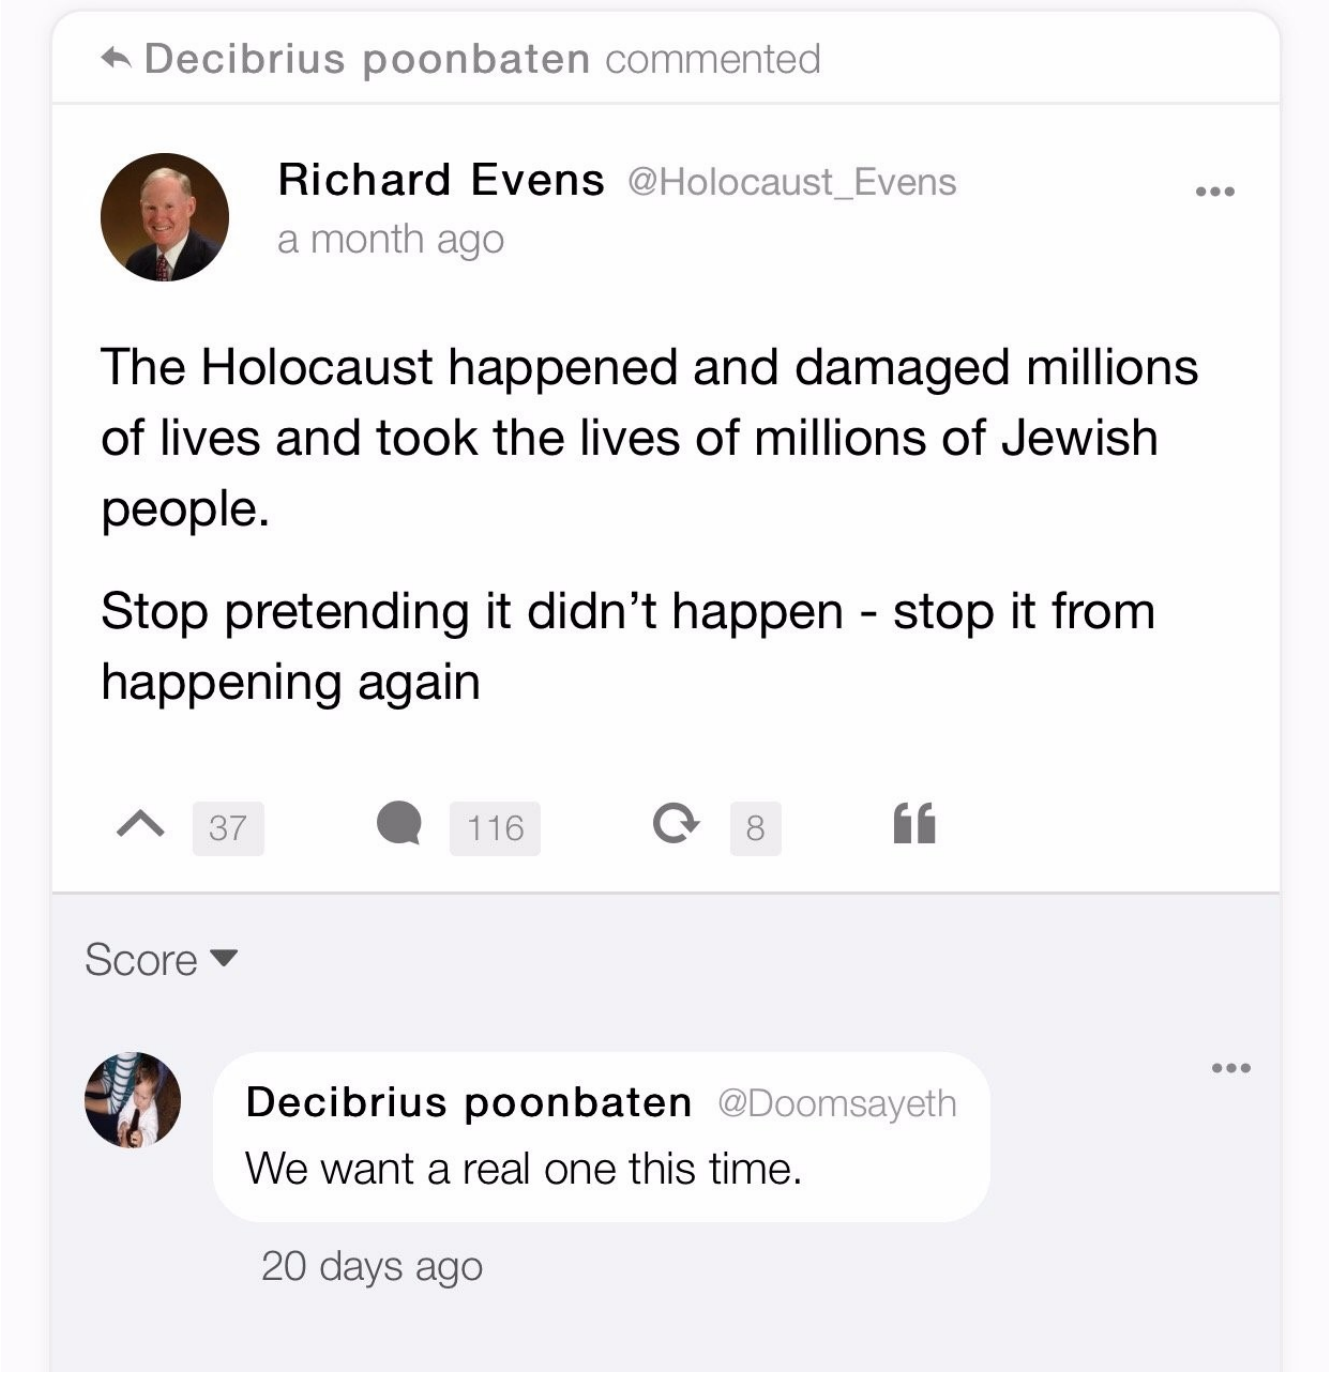
Jerod Elder, aka "Doomsayeth," shares news about border activity and declares that the immigrant situation will be an opportunity for the Base to recruit additional racist members.

white ethnostate model, and he has extensive training from the military. On his social media and in group chats, Elder is not shy in expressing his racism. He admits terror is a tactic the Base embraces for use in achieving their goals, and he is currently involved in military activity directly involved with the migrant caravan. For all these reasons and more, we must bring to light Jerod Elder's activities and stop them however we can. Jerod jokes that if he ever snaps and does something crazy, he will just *"whip out that PTSD card."* But, now we know all his plans are premeditated.



I don't like NAZI's, but I like jews even less. Bring the pain to them.
